

What are you going to do when school is out? Do what's fun and join us to Explore, Discover and Imagine the world of science during a day of camp at The Children's Museum of Science and Technology.

Each day has a science theme and is packed with activities, experiments, projects, crafts and games. You will also have time to explore CMOST, watch a planetarium show and meet some of the animals from Operation W.I.L.D.

School vacation science camp is run for children ages 5-10. The children are grouped according to age.

Vacation Science Camp Dates & Themes

Monday, April 5th – Baggie Science

Have you explored science in a bag? Can you explore science in a bag? In this hands-on science camp children will experiment as they learn the scientific method and learn about chemical reactions, edible ice cream and much more!

Tuesday, April 6th – Do The Locomotion

Have you ever seen a toad hop or a snake slither? What makes an owl so good at flying? And how does a fish swim around without sinking? Come and learn the answers to these questions and many more as we learn about the different ways that animals move through games, outdoor activities and crafts.

Wednesday, April 7th - It's Electric & Magnetic

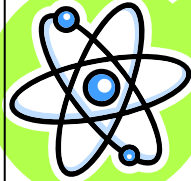

What makes your socks spark on the rug? Why are magnets drawn to one another? And what is a circuit and how does it work? In this camp we'll answer all of these questions and many more while working hands-on with several different electricity and magnetism experiments.

Thursday, April 8th - Stream Safari

Get your feet wet in the science of a stream in this safari. Join CMOST in this exploration as we learn about water bugs, test water quality parameters and experiment with the ins and outs of a watershed.

Friday, April 9th - Up in the Air

Up in the air, it's a bird... no, it's a plane... or wait a kite? Join CMOST as we delve into the science of aerodynamics. Campers will investigate bird feathers, experiment with the Bernoulli principle, create a cool kite and more in this day long investigation into the different aspects of flight and the dynamics of air.

Pricing for School Vacation Science Camps

CMOST Members: \$45.00 per day
5 days \$40 per day

Non-Members: \$55.00 per day
5 days \$50 per day

Extended Camp Care:

CMOST will have the following extended camp care options:

Before-camp 8:00 AM - 9:00 AM - \$6 per day

After-camp 3:00 PM – 4:30 PM - \$9per day

This service is only available with pre-registration.

We require a minimum of 8 participants to run camps, so invite your friends to come along with you to explore and discover the world of science and technology. If we do not meet our minimum number, the program will be cancelled 10 days prior to the start date of the camp. You will be notified by phone and email.

Cancellation, Refund and Camp Change Policy: You may cancel your registration, in writing up to three (3) weeks prior to your program start date. To cover administrative costs, you will be refunded 70% of the pre-paid program fee. No refund will be made if cancellation is received less than three weeks prior to start date (determined by post-mark on the envelope). CMOST reserves the right to cancel any camp program for any reason. You will receive a credit towards a future program or a full refund in the amount of the pre-paid program fee. Children dismissed due to discipline, behavioral or similar situations will not be entitled to a refund. Children absent from any day of camp will not be entitled to a refund, credit or exchange of dates.

Name of Parent/ Guardian: _____ Are you a member? Yes No
