

What are you doing to do when school is out?

Do what's fun and join us to Explore, Discover and Imagine the world of science during a day of camp at The Children's Museum of Science and Technology.

Each day has a science theme and is packed with activities, experiments, projects, crafts and games.

You will also have time to explore CMOST, visit a planetarium show and meet some of the animals from Operation W.I.L.D.

School vacation science camp is run for children ages 5-10.
Children are grouped according to age.

The Children's Museum of Science and Technology (CMOST), ranked one of the top 20 science centers in the nation by *Parents* magazine, is the only science center in Tech Valley specifically designed for kids and their families to explore, discover and imagine the world of science together.

CMOST inspires young minds to engage in a lifelong exploration of science and technology, instilling a sense of wonder and discovery.

Dates & Themes

Thursday, September 29th Brainstorm Challenge

The BKFK Brainstorm Challenge lets kids bang, bend and brainstorm as they take a shot at inventing several different contraptions. A fun camp with hands-on building that starts with your idea and ends with your inventions. Every participant will be given the tools to maximize their creative potential and have fun doing it, too.

Monday, October 10th Kooky Concoctions

Have you ever asked "how'd they do that?" We'll get our hands dirty with experiments that answer that question and many more! Join us as we experiment with things such as density, pH and solutions.

Friday, November 11th Simple Lego[®] Machines

Have you ever wondered what's so simple about simple machines? In this camp children will be encouraged to explore the world of machines around them through hands-on experimentation with Lego[®] kits.

Wednesday, November 23rd Musical Madness

Join CMOST as we explore the science of sound. Experiment by making drums and explore vibrations; build a telephone and measure how sound travels and explore sound waves on guitars that are made from recycled materials.

Friday, November 25th Potion and Notions

Have you ever made a rocket out of Alka Seltzer? Or created liquid lasagna? Join us as we use chemistry to mix up some potions and scientific notions!

Science Camp Hours

9:00 AM to 4:00 PM

Pricing

CMOST Members: \$45.00 per day
5 or more days \$40 per day

Non-Members: \$55.00 per day
5 or more days \$50 per day

Extended Camp Care

Before Care: 8:00 AM – 9:00 AM
Additional fee of \$6 per day per camper

After Care: 4:00 PM – 5:00 PM
Additional fee of \$6 per day per camper

Extended Camp Care is only available with pre-registration.

Each camp includes:

Educational materials, craft supplies, and a daily snack.

(Lunch is *not* included)

We require a minimum of 8 participants to run camps, so invite your friends to come along with you to explore and discover the world of science and technology. If we do not meet our minimum number, the program will be cancelled 10 days prior to the start date of the camp. You will be notified by phone and email.

Name of Parent/ Guardian: _____ Are you a member? Yes No

1. Child: _____ DOB _____ 2. Child: _____ DOB _____

3. Child: _____ DOB _____ 4. Child: _____ DOB _____

Address: _____

City : _____ State: _____ Zip: _____

Phone (Home): _____ Phone (Work): _____

Phone (cell): _____ Email: _____

Place the # of the child (number located next to their name above) attending the camp in the space provided:
