

What are you doing to do when school is out?

Do what's fun and join us to Explore, Discover and Imagine the world of science during a day of camp at The Children's Museum of Science and Technology.

Each day has a science theme and is packed with activities, experiments, projects, crafts and games.

You will also have time to explore CMOST, visit a planetarium show and meet some of the animals from Operation W.I.L.D.

School vacation science camp is run for **children ages 5-10**. Children are grouped according to age.

We require a minimum of 8 participants to run camps, so invite your friends to come along with you to explore and discover the world of science and technology. If we do not meet our minimum number, the program will be cancelled 10 days prior to the start date of the camp. You will be notified by phone and email.

The Children's Museum of Science and Technology (CMOST), ranked one of the top 20 science centers in the nation by *Parents* magazine, is the only science center in Tech Valley specifically designed for kids and their families to explore, discover and imagine the world of science together.

CMOST inspires young minds to engage in a lifelong exploration of science and technology, instilling a sense of wonder and discovery.

Dates & Themes for Individual Day Camps (Ages 5-11)

Monday, December 27th - Balloon Science
Join us for a big balloon exploration, as we investigate the science of everyone's favorite inflatable toy, the balloon! We'll experiment with using reactions to inflate them, investigate whether they can convey messages to us and discover how meteorologists use them to help forecast the weather!

Tuesday, December 28th - Move It

Join us as we experiment with all things moving and full of energy! Campers will build catapults, create race cars and much more in this hands-on adventure camp where energy and movement take center stage!

Wednesday, December 29th - From the Earth to the Stars

How many planets are in our solar system? What makes up each planet? Does our moon orbit the earth or the sun? Join CMOST in this astronomical camp as we answer these questions and many more with hands-on experiments!

Thursday, December 30th - Small Wonders

Venture into the scientific world of the small and learn about the big things they do! Discover atoms and molecules by participating in the Molecularium™ and walk in the tracks of some of the smallest (and most diverse) animals on earth.

Friday, December 31st - Ooey, Goopy Fun Lab*
9:00 AM to 2:00PM

The world is full of many different things that are just plain weird! From snails to silly putty, erasers to glue - strangely behaving things are everywhere! Come and experiment with weird science such as Oobleck, borax crystals and much, much more! **After care is NOT available on this day.*

Robotics Camp Week of Dec. 27 – 31* (Ages 8 - 11)

Intro to Robotics - *Week long camp*

Have you ever tried your hand at Lego® robotics? During this camp we will build an amusement park and an intelligent house of the future as we experiment with Legos® and explore different scientific concepts. Participants will try their hand at both building and programming in this new and exciting camp. Join us and let your creativity be your guide as you design things as you see fit.

*December 31st Camp runs from 9 AM - 2 PM, and After Care is not available.

Pricing

CMOST Members: \$45.00 per day
\$40 for 12/31/10*
\$200 for the week

Non-Members: \$50.00 per day
\$45 for 12/31/10*
\$225 for the week

Extended Camp Care: *Pre-registration is required.*

Before Care: 8:00 AM - 9:00 AM
Additional fee of \$6 per day per camper

After Care: 4:00 PM - 5:00 PM
Additional fee of \$6 per day per camper
(Not available on December 31st)

Each camp includes:
Educational materials, craft supplies,
and a daily snack.
(Lunch is *not* included)

Name of Parent/ Guardian: _____ Are you a CMOST member? Yes No

1. Child: _____ DOB _____ 2. Child: _____ DOB _____

Address: _____

City: _____ State: _____ Zip: _____

Phone (Home): _____ Phone (Work): _____

Phone (cell): _____ Email (req. for camp paperwork): _____

Place the # of the child (number located next to their name above) attending the camp in the space provided:

Monday, December 27th Balloon Science 12/27/10 Before Care 12/27/10 Aftercare
 Tuesday, December 28th Move It 12/28/10 Before Care 12/28/10 Aftercare
 Wednesday, December 29th From the Earth to the Stars 12/29/10 Before Care 12/29/10 After Care
 Thursday, December 30th Small Wonders 12/30/10 Before Care 12/30/10 After Care
 Friday, December 31st Ooey, Goopy Fun Lab* 12/31/10 Before Care
 Intro to Robotics Week Long Camp 12/27/10-12/31/10

Credit card info: Card _____ Security Code # _____

Expiration Date: _____

Authorizing signature for credit card use: _____
