

"My Parent & Me" Science Class

5 Week session for Pre-Schoolers

Wednesday or Saturday mornings 9:30 AM to 10:30 AM
Classes available each day for kids ages 2 - 4

A chance for kids and parents to interact, explore, imagine and discover the world of science.
 All programs include arts & crafts and a pre-school educational program
 as well as a take-home book to continue the learning outside of The Museum.
This program is funded in part by Target.

January 18th & 21st
Exploring Color

Do you know what happens when we mix colors together? Join us as we experiment with the primary colors through many different activities, including some that are edible.

February 8th & 11th
Love Bugs!

Come and celebrate Valentines Day with us! We'll read the a lovely bugs story, meet some of our resident bugs and make a love bug craft to take home.

January 25th & 28th
The Moon

Read a story about the moon and its cycle. Learn some moon rhymes and stretches and make some great lunar art to take home.

February 15th & 18th
Rockets

Fizz bang boom! Join us and learn about a cool way to make a rocket of your own. We'll explore rockets, read a story and create a rocket of your own to take home.

February 1st & 4th
Stars & Space

Have you ever looked at the stars? Come and learn all about the stars in the night sky as we explore the big dipper. We'll read a story and create constellations of our own.
