

## Association of Science-Technology Centers ASTC Travel Passport Program

November 1, 2009 to April 30, 2010

The Travel Passport Program entitles visitors to free **general** admission. It does not include free admission to special exhibits, planetarium and larger-screen theater presentations nor does it include museum store discounts and other benefits associated with museum membership unless stated otherwise. **Each museum has its own admissions policy.** Visit [www.astc.org](http://www.astc.org) to find out which and how many family members receive free admission.

**PROGRAM RESTRICTIONS 1) Based on your science center's or museum's location:** Science centers/museums located within 90 miles of each other are **excluded** from the Travel Passport Program unless that exclusion is lifted by mutual agreement. **2) Based on residence:** To receive Travel Passport Program benefits, you must live more than 90 miles away from the center/museum you wish to visit. Admissions staff reserve the right to request proof of residence for benefits to apply. Science centers and museums requesting proof of residence are marked by (✓IDs).
