

# CHILDREN'S MUSEUM OF SCIENCE + TECHNOLOGY

## February 2019

### General Public Hours

Wednesday – Sunday  
10:00 AM – 5:00 PM

Open  
Monday, February 18<sup>th</sup> &  
Tuesday, February 19<sup>th</sup>  
10:00AM – 5:00PM

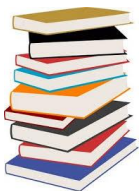

View our daily calendar of events in  
The Museum by visiting our website at  
[www.cmost.org](http://www.cmost.org).

### Weekly Programs

Science Story Time  
Wednesdays  
11:00 AM

“Shapes and Colors” is our February story time theme. During this time, join one of our Museum Educators for this science-based story time that includes a project-based activity! No pre-registration required, activity included with museum admission. Ages 2 - 6.

Sensory Play  
Thursdays  
10:00 – 11:30 AM

Help your child improve motor skills and increase his or her understanding of how the world works. Join CMOST staff in the GE Junior Discovery room for a hands-on sensory science activity. No pre-registration required, activity included with museum admission. Ages 2 - 6.

- 2/7 Shape Explorers
- 2/14 Love Bugs
- 2/21 Color Wonders
- 2/28 Dino Discovery

Investigate the A in STEAM  
Fridays  
11:00AM

Designed for our younger visitors, children will have an opportunity to explore a different creative art activity each week

### Workshops, Multi-week Classes & Special Events

Groundhog Day  
Saturday,  
February 2<sup>nd</sup>  
1:00PM

What is a groundhog and why do we care if he sees his shadow? Join CMOST staff while we read a story to help answer these questions. Then create a groundhog craft to take home with you.

Ready, Set, Reaction!  
Homeschool Enrichment Program  
Thursday, February 7<sup>th</sup>  
1:00 – 2:30 PM

Join us in this adventure in chemistry. We'll experiment with reactions, while blowing up bubbles, mixing chemicals and more in this hands-on lab! Students will learn all about the molecular world, physical and chemical reactions and create a polymer to take home in this exploration of chemistry. Pre-registration is required for all Home School programs and class size is limited, so register early.

National Engineers Week  
February 17<sup>th</sup> – 23<sup>rd</sup>

Join CMOST staff daily for an exciting engineering activity. The weekly schedule of activities will be available on our website.

Tile Art  
Saturday, February 23<sup>rd</sup>  
1:00PM

Many places in this part of NY were originally settled by the Dutch, who are well known for the style of their homes and their furniture. Join CMOST today and learn a little about the Dutch settlers, investigate the iconic Dutch tile and decorate a tile in a style all your own.

## February Break Camps

Join us on your school break to explore, discover and imagine the world of science during a day of camp at the Children's Museum of Science and Technology. Each day has a science theme and is packed with experiments, building projects, creative elements and games. Campers will also have time to explore CMOST, participate in activities held in the new Play Space, and meet the animals from Operation W.I.L.D. School vacation science camp is run for children ages 5-11.

### February 18<sup>th</sup> Crustaceans to Carnivores

This camp will focus on the animal world including all of the adaptations that animals have to help them survive.

### February 19<sup>th</sup> Music & Sound

Join CMOST educators as we experiment with music and sound. Check out instruments, create music of your own and discover how your ears process the sounds around us.

### February 20<sup>th</sup> Oceans Alive!

Oceans cover more than 70% of our planet. Spend the day at CMOST learning about some of the cool creatures that live in the ocean and discover why the ocean is so important to us.

### February 21<sup>st</sup> Seismology to Sediments

Earth Scientists study the Earth from rocks and how they form, to earthquakes and how to measure them. Join CMOST staff and become an Earth Expert while having fun in this hands on, activity filled camp.

### February 22<sup>nd</sup> Tall, Taller, Tallest!

Test your engineering skills in this fun filled camp. We will test the engineering design process while creating amazing designs.

**Members:** \$45.00  
**Non Members:** \$50.00

---

### #CMOST Gives Back We Love Our Members February, 13<sup>th</sup> -17<sup>th</sup>

We love our members our members at CMOST! To show our appreciation we are giving members 30% off in the gift shop throughout the week.

## Did You Know?

**CMOST is a stand-alone 501(c)(3) nonprofit charity that relies entirely on financial support and dedication from our members, individual donors, corporations, and foundations.**

## School Programs

CMOST field trips are unique, fun, and engaging experiences that allow children to learn through play. All field trips are led by a museum educator, and will immerse your students in hands-on STEAM exhibits and activities. Book a field today to explore, discover, and imagine the exciting world of science and technology with your students.

**Can't get your group to The Museum?**  
Let CMOST bring The Museum to you!

CMOST's Traveling Programs are incredibly popular and provide a great educational opportunity featuring hands-on science activities.

**Don't see the topic you're looking for?**

Just ask! Our goal is to exceed your expectations for quality hands-on learning. Please don't hesitate to give us a call 518-235-2120 x206 or send an email to [scheduling@cmost.org](mailto:scheduling@cmost.org) for assistance. We'll be happy to see what we can do.

For more information or to register for programs, please call 518-235-2120 or visit [www.cmost.org](http://www.cmost.org)
