

# School Break Camps

February – April 2019

Join us on your school break to explore, discover and imagine the world of science during a day of camp at the Children's Museum of Science and Technology.

Each day has a science theme and is packed with experiments, building projects, creative elements and games. Campers will also have time to explore CMOST, participate in activities held in the Play Space, and meet the animals from Operation W.I.L.D.

School vacation science camp is run for children ages 5-11. Children are grouped according to age with ages 5-7 in the Junior Camp and ages 8-11 in the Senior Camp.

Date	Camp
February 18, 2019	<b>Crustaceans to Carnivores</b> This camp will focus on the animal world including all of the adaptations that animals have to help them survive.
February 19, 2019	<b>Music &amp; Sound</b> Join CMOST educators as we experiment with music and sound. Checkout instruments, create music of your own and discover how your ears process the sounds around us.
February 20, 2019	<b>Oceans Alive!</b> Oceans cover more than 70% of our planet. Spend the day at CMOST learning about some of the cool creatures that live in the ocean and discover why the ocean is so important to us.
February 21, 2019	<b>Seismology to Sediments</b> The Study of the Earth Scientists study the Earth from rocks and how they form, to earthquakes and how to measure them. Join CMOST staff and become an Earth Expert while having fun in this hands on, activity filled camp.
February 22, 2019	<b>Tall, Taller, Tallest!</b> Test your engineering skills in this fun filled camp. We will test the engineering design process while creating amazing designs.
April 19, 2019	<b>Physics of Fun from Sports to Games to Toys</b> When will I ever use this in real life? Discover the real world applications of physics. What is the science behind pitches in baseball? How does the yo-yo work?
April 22, 2019	<b>Mystery Science:</b> Inspired by our love of mysteries such as Magic Tree House and Scooby-Doo and Mystery Incorporated, this camp day is dedicated to solving mysteries using science! Discover the facts, explore and science and imagine new stories inspired by this camp.
April 23, 2019	<b>Wizard Science:</b> CMOST staff highly recommends books about wizardry, witchcraft and magic. Science is like magic only real. Learn how to make potions, explore levitation and practice a magic trick.
April 24, 2019	<b>Silly Superheroes:</b> Storybook characters such as captain underpants and comic book heroes such as batman will inform this day long adventure filled with lessons on physics, tool making (think batman), mask creating and more.
April 25, 2019	<b>Truth is Stranger than Fiction:</b> Did you know that baby leopard geckos are born with stripes that become spots as they grow? This camp is based on our love of the series of books weird but true.
April 26, 2019	<b>Castles and Creatures:</b> Queens, Knights, and the science of Fantastic Creatures. What is the truth behind the tales of medieval times? Did dragons exist? Why were castles built that way?
