

Homeschool Science Crew Registration Form

Mondays 1:00PM – 2:00PM

Pricing for 5-week class:

\$45.00 per child

Ecology: October 21st – November 25th

*** No class on October 28th**

Join our educators to learn about how living things interact with each other and the world around them, and how humans impact this balance. Students will learn about the benefits of pollinators, run a recycling relay race and learn about ecosystems from the Hudson River watershed to Yellowstone National Park.

Coding - Instruction to Function: January 6th – February 3rd

Computerized technology can be convenient, but it requires human creativity and instruction to function. Join us for this class on programmable technology and coding to learn more about our role in everything from animation to automation.

Great Outdoors: March 2nd – March 30th

Are you in the mood for a natural science adventure? With the best of ecology and biology all in one, we will explore plants, trees, streams, rivers and animals. With plenty of outdoor time (weather permitting) and hands on activities, this will be a great experience!
