

CHILDREN'S MUSEUM OF SCIENCE + TECHNOLOGY

Summer Camp @ CMOST August 2020

CMOST's STEAM Camps provide a unique summer camp experience for children who are interested in delving deeper into science, technology, engineering, the arts, and mathematics. Through hands-on experiments and creative projects CMOST provides a fun discovery environment that fosters self-efficacy.

Camps are intended for children entering grades 1 - 5; the curriculum includes a variety of experiments, play and project based activities that entice and enable children to explore and learn about STEAM concepts over the course of their summer vacation.

Date	Camp
August 3-7, 2020	You Can Make It! If you enjoy making things this is the camp for you! We will explore the design process by creating plans and making a variety of fun projects. Building, inventing, crafting and creating will happen every day. All you need to bring is your imagination.
August 10-14, 2020	Chemistry is a Blast! Spend a week delving into chemistry, the study of matter and its interaction with energy. Mixtures, potions, and reactions are just a sample of the fun you can have learning the mysteries of chemistry in this hands on science adventure!
August 17-21, 2020	Powerful Programming: Computer coding and programming are a big part of today's technology. Join us as we take a run through the basics and then try our hand at programming and coding. Let's experiment with technology, build video games, and understand what makes our computers tick.
August 24-28, 2020	Summer STEAM Spectacular: This exciting camp will be a week long journey through the alphabet soup of STEAM. Each day we will investigate Science, Technology, Engineering, the Arts and Mathematics. Summer will be our inspiration for the science of lemonade, art made with flowers and an abundance of other fun and exciting activities.
August 31- Sept.9, 2020	Festival of Fun: Join CMOST staff in a week long camp filled with summer fun. We will blow bubbles, make ice cream, have water balloon races and so much more. This week of summertime fun will be cleverly infused with STEAM learning experiences.

Pricing:

CMOST Members: \$250.00 per week

Non-members: \$275.00 per week

Extended Camp Care*: Before Care (8 to 9 a.m.) | After Care (4 to 5 p.m.) will cost an additional \$30 per week, per camper. Pre-registration is required for Extended Camp Care.

[Looking for camp dates in July? Check out our CMOST @ Planet Parker Summer Camp offerings](#)

Within the month of July, CMOST is partnering with the Robert C Parker School's Planet Parker to expand our STEAM learning campus and enhance our suite of camp experiences. A full -day of STEAM activities taught by CMOST's Educators awaits. Camp @ Planet Parker runs from 9am - 3:45 pm. Visit www.cmost.org for more information.
